Enthusiastic Expressive Arts Therapist/Trainer Dr. Jane Goldberg

is a Ph.D, L.M.F.T., and a R.E.A.T., Registered Expressive Arts Therapist. She is a founding member of the International Expressive Art Therapy Association. She has been leading these life-changing transformational trainings for over 30 years all over the country and internationally. You will meet one week-end a month for 12 months to explore and express your highest creative nature and learn how to awaken transformation and growth in others. No previous educational degrees needed.

Testimonial from Jean Houston, Ph.D. - World Renowned Author, Scholar, Philosopher & Teacher

"Jane Goldberg and her Expressive Arts Training Institute reach into the vistas of human possibility and bring home to her students and listeners a recognition of the possible, of the depths of the Creative and spark a life force that can change the world. Jane is an eternal child with the depth and breadth of the wisest of souls. She quickens creativity, so that the room seems to paint itself in her presence."
