

Expressive Arts Training Institute
with Dr. Jane Goldberg

BECOME A NATIONALLY CERTIFIED EXPRESSIVE ARTS PRACTITIONER!

Program Highlights:

- 12 Wonder-filled weekends of professional expressive arts training leading to National Certification, championed by enthusiastic Expressive Arts Therapist/Trainer Dr. Jane Goldberg, Ph.D, L.M.F.T., and a R.E.A.T., Registered Expressive Arts Therapist. Dr. Jane Goldberg is a founding member of the International Expressive Art Therapy Association. She has been leading these life-changing transformational trainings for 33 years all over the country and internationally.

- Art forms and modalities you'll explore together include: Visual Arts, Movement Arts, Intuitive Arts, Language Arts - Performing Arts, and more!

- Within one year (1 weekend a month) you will complete the program and receive immediate National Certification.

**New program: March 2024-
February 2025.**

Career Opportunities:

Expressive Arts Therapy is about expressing and awakening the life force within each of us; thus creating the clarity and commitment needed to discover and rediscover the path that is uniquely our own. Whether you choose to work in schools, hospitals, treatment centers, in your own self-created practice or business, or develop your capacity as an artist, this training will get you passionate and working.
